

Ordering Upper School Books

Your personalized booklist is available in your portal, and the time for ordering books is now.

Students: you may find the Booklist link at the right, under “Student Links.”

Parents/guardians: you will find it under the “Links” tab to the right of your child’s photo.

Check the ISBNs in your order to be sure that you have the correct edition of the text. You are free to purchase your texts from any source. Upper School is committed to taking action toward diversity, equity, and inclusion, and one step toward that action is supporting Black-owned businesses. We hope that you will consider purchasing books for this school year from a Black-owned independent bookstore. The lists below of stores all over the U.S. can help you in that process. You might consider contacting a brick-and-mortar shop in a community to which you have a connection. Remember to give yourselves and the stores some lead time to process your order.
