

The Park School of Baltimore

Request for Waiver of Noncustodial Parent Signature

REQUEST FOR WAIVER OF NONCUSTODIAL PARENT SIGNATURE

The decision to enroll a child in independent school is a discretionary one that is shared equally with each custodial parent. In the case of divorce, separation, or when parents have never been married, the School requires both parents to acknowledge the parents' decision to assume responsibility for the student's independent school education.

The School is not bound by any verbal or written support agreement specifying one parent's responsibility for educational expenses. The School assumes that both parents will accept responsibility for tuition and incidental charges. In the case of families applying for tuition assistance, both biological and/or adoptive parents must complete a tuition assistance application to be considered for a grant. If either parent is remarried, we shall bear in mind the obligations of that parent to his/her new family as well. If the parent with custody is remarried, we consider the resources of the step-parent; however, we shall also bear in mind the obligations of the step-parent to his/her biological children. Under extraordinary circumstances, the School may choose to waive the requirement for dual parent signatures on the enrollment contract.

For the School to consider waiving financial obligation of a noncustodial parent, this form must be completed in full and supporting documentation must be provided. Please provide as much information as possible of the situation (i.e., The noncustodial parent's whereabouts are unknown; the noncustodial parent has not had contact over a period of years; the noncustodial parent provides no financial support to the student).

- Complete the entire form. Answer all questions and obtain supporting documentation
- Submit your completed form with all accompanying documentation to admission@parkschool.net
